BIDDER REGISTRATION INSTRUCTIONS

County of Sonoma Supplier Portal

Register as a Bidder if your company has not done business with the County of Sonoma in the past. If your company has previously done business with the County, register as a Supplier.

If you experience technical issues during registration, email the Supplier Desk for prompt assistance. Please include screen captures of the issue if possible.

Navigate to the Sonoma County Supplier Portal, and click on the User Registration tile.
This will direct you to the User Registration page. On this page, under **Register as a Bidder**, click **Register now**.

The **Register now** link brings up a pop-up window, entitled **Bidder Registration**, where the registration process will take place. Once you begin your registration process, **do not** close the registration window. Closing this window will cause data entered to be lost, and entries cannot be retrieved. This pop-up window will close automatically at the end of the successful registration process.

To add additional contacts, click **Add Contact**. Ensure all contacts are registered to an appropriate address using the dropdown menu. Select **Next** to proceed.

**Categorization Information**

The County emails solicitation notifications to Bidders who have registered for the same commodity or service category as the solicitation. **In order to receive emailed solicitation notifications, you must select one or more categories, and the email address you supplied must be correct.**

Click directly on the **file folder** next to **Sell Categories**.

Search the category list for goods and/or services your organization provides. Scroll, or use the Control+F command to search by keyword. When you have identified a category, click on the **file folder** next to the **category name** to view the subcategories. Check as many categories and/or subcategories as necessary. **When finished, scroll to the bottom and click Next.** Please note that it may take several minutes to save your process if many categories are selected.
To select all subcategories, first expand the file folder for the category, and then select the checkbox next to the category. All subcategories will be checked.

Terms and Conditions

Review the Terms of Agreement, then click the checkbox to accept the terms, and Submit.
