The [Register now](#) link brings up a pop-up window, entitled **Supplier Registration**, where the registration process will take place. Once you begin your registration process, **do not** close the registration window. Closing this window will cause data entered to be lost, and entries cannot be retrieved. This pop-up window will close automatically at the end of the successful registration process.

The screenshot shows a web browser window titled "Supplier Registration" with a close button (X) in the top right corner. Inside the window, there is a "Help" link in the top right. The main heading is "Register New User Accounts". Below this, there is instructional text: "In order to register, you will need your County assigned Supplier ID and your Taxpayer Identification Number or Social Security Number." followed by "If you do not have your Supplier ID number, please contact the County department you normally work with. You can also email a request to supplier-desk@sonoma-county.org." A numbered list of seven steps follows: 1. Enter your Supplier ID and Taxpayer Identification Number, or Social Security Number. 2. Create a User ID without spaces. 3. Create a password and confirm the password. 4. Enter your email ID. 5. Review the Terms of Agreement. 6. Click the check box next to "Click to accept the Terms of Agreement below." 7. Click submit to process your Supplier registration.

If you have any questions or feedback regarding your registration, please email the Supplier Desk at supplier-desk@sonoma-county.org.

You will also receive a confirmation email with the subject “User ID Registration.” This email is to inform you that you have registered as a Supplier with the County, and it is not necessary for you to keep this email. The information contained in this email is also included in your New User Account Creation email.

Please continue – additional account configuration is needed in order to receive emailed notifications of County solicitations.

Once the pop-up window is closed, you will be redirected to the homepage where you can now **Sign In** to manage your account and place bids.

Sign in by entering your newly created User ID and Password and selecting **Sign In**.

County of Sonoma Suppliers are responsible for self-managing their accounts and updating their account information online. Regularly check and update your account to ensure uninterrupted access to information regarding the County of Sonoma’s solicitations.

Profile Configuration Steps

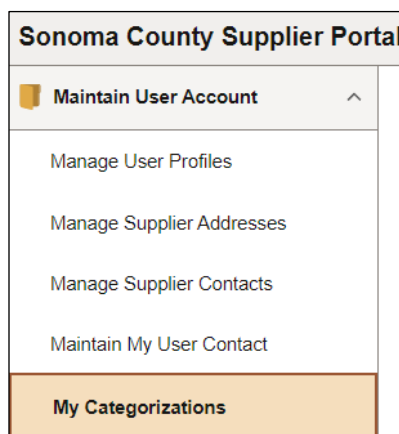

In order to complete your User Profile configurations, click the **Maintain User Account** tile.

Select Categories

The County will email solicitation notifications to Suppliers who have registered for the same commodity or service category as the solicitation. **In order to receive emailed solicitation notifications, you must select one or more categories, and the email address you supplied must be correct.**

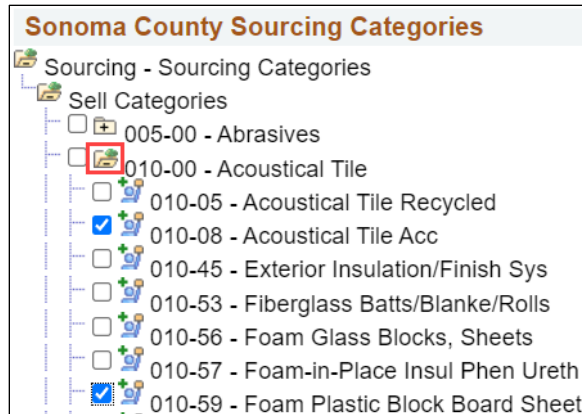

In the left navigation pane, select **Maintain User Account**, which will expand the folder. Then select **My Categorizations**.

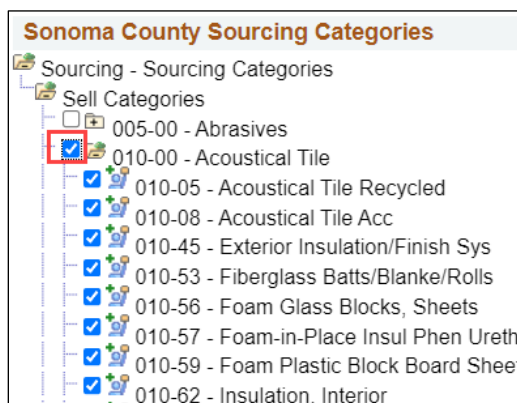

Click directly on the **file folder icon**  next to **Sell Categories**.

Search for the category list for goods and/or services your organization provides. Scroll, or use the Control+F command to search by keyword. When you have identified a category, click on the **file folder icon** next to the category name to view the subcategories. Check as many categories and/or subcategories as necessary.

To select all subcategories in a folder, first expand the file folder for the category, and then select the checkbox next to the category. All subcategories will be checked.

When finished, scroll to the bottom and click [Save](#). Please note that it may take several minutes to save your progress if many categories are selected.

[Save](#)

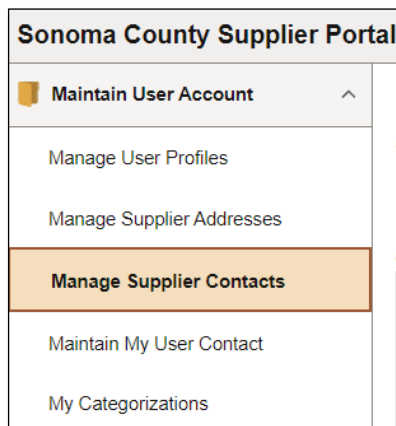

Add Contacts

Contacts are designated employees of your organization that the County can confer with on business issues. On the left navigation pane, select [Maintain User Account](#) and then select [Manage Supplier](#)

Contacts. You can edit and add new contacts in this section. **You must have at least one contact listed for your organization to receive bid notifications.**

The image below shows what the Current Contacts screen looks like if there is not a contact assigned to your organization. To add a contact, select the **Add a New Contact** button.

The redacted image below shows the Current Contacts for an organization with multiple existing contacts. To Edit an existing contact, select the **Edit** button adjacent to the contact you wish to change and/or make sure all the information is correct. To Delete an existing contact, select the **Delete** button.

Adding or editing contacts will bring up the Contact Information screen where the information can be entered. Complete all fields, entering the contact's job title in the **Description** field. If this field is already filled in, please overwrite it. A description must be entered for all contacts before changes can be saved, including deletions. Click **Save** when finished.
